

## Free Writing and Grammar Activities to Help 3rd-12th Students Become Strong Writers

### What is Quill?

Quill is a nonprofit, educational technology organization dedicated to improving student writing. Quill provides over 300 writing, grammar, and proofreading activities organized by the Common Core standards.

**10,000** Teachers

**400,000** Students

**40 Million** Sentences

### How Quill works?

Quill provides 10-15 minute exercises that help students build sentence construction skills. Quill automatically grades the writing and provides feedback and hints to help students improve it. The immediate feedback enables students to quickly build their skills and it saves teachers dozens of hours spent on grading.

### What are Quill's tools?

Quill provides four different tools. Teachers use **Quill Diagnostic** to assess their students' writing needs and then assign a personalized learning plan. **Quill Connect** and **Quill Grammar** build sentence structure and grammar skills. **Quill Proofreader** hones editing skills.

**Quill Diagnostic**  
Identify Learning Gaps

**Quill Connect**  
Combine Sentences

**Quill Grammar**  
Practice Basic Grammar

### How can I integrate Quill into my classroom?

#### Bellringer

Use Quill's activities as a quick daily warm-up at the beginning of class.

#### Independent Practice

Use Quill after a mini lesson to reinforce your instruction.

#### Homework

Assign Quill as homework for students to complete on a smartphone or a computer.

Quill's content is 100% free. Go to [Quill.org](https://quill.org) and sign up for access to over 300 activities.

## How much time should my students spend on Quill?

Quill is a supplemental tool, and each activity takes 10-15 minutes. We recommend that students complete 2-3 sessions a week over eight weeks in order to see an improvement in their writing.

## How can I start using Quill with my students?

- 1 Sign Up**  
Go to [Quill.org](https://quill.org) and sign up as an educator to get access to all of our content for free.
- 2 Add Students**  
Create a classroom and add your students, or use **Google** or **Clever** to import your students.
- 3 Assign Activities**  
Assign a diagnostic to gauge skills, or select one of our featured activity packs.
- 4 View Reports**  
Use the student reports to review progress and student answers.

## How does Quill provide personalized instruction?

Once your students complete the diagnostic, Quill will generate a 10 week personalized learning plan for each student that targets needed skills. Quill also provides a diagnostic for ELLs.

*James Joyce is recommended Adjectives and Complex Sentences.*
